☐

I request the re-instatement of the financial aid funds which I was awarded in the previous semester. I understand that these funds were canceled due to my completing my designated degree. (If you graduated with an associate degree and are now enrolled in a bachelor program, you may be eligible for additional loan funds. If you would like additional loan funds, please meet with a Utah Tech Financial Aid Advisor to discuss your options.)

☐

I request my financial aid to be re-instated because I did not enroll for the previous semester.

Please note; you will be awarded to same amounts that were previously canceled as long as you are still eligible to receive the funds. If you have any questions, please request to meet with a Financial Aid Advisor.
